

Inter-Club Challenge

The first stage is in the bag, and we came a very close second to Halesowen in the roller challenge, on Saturday.

Event 3 - The Cyclo Cross event takes place at Manor Abbey stadium, Halesowen on the 14th January. We need a good turnout for this event, especially after our strong performance in the North of England Cyclo-cross Championships.

Last year we let Halesowen take the inter-club championship !!!

The results of the first stage of the inter-club challenge are overleaf. The second stage results will be published next month.

Special Offers from Terry Dolan

John Daly has managed to negotiate with Terry Dolan to give all Eastlands and Sportcity riders a discount of between 15-20% off any Dolan bikes or accessories as long as they are ordered through Eastlands Velo. Terry Dolan will take your old bike as part exchange.

Also we can get Dolan Cyclo-cross bikes in all sizes at a special price of £360 for a complete bike, fitted with Tiagra gears, or frames for £160; again order through Eastlands,

Dolan TRACK bikes are also available for £299 (basic type).

This offer only is open to members of Eastlands Velo and Sportcity Velo, and equipment must be ordered through the club.

North Of England Cyclo Cross Champs

There was a great turnout to the North of England Cyclo Cross Championships at the weekend and we had some very good performances and results.

It was a tough course at Beverley, and a windy day, so WELL DONE to all those that took part and, of course, to the parents and supporters. We were the best supported club, with great results!

Club Subscriptions

This is a reminder that membership renewal is due at the end of December, so please speak to Alan over the next couple of weeks to renew your membership.

Also please note, that whilst BCF membership does not run from January 1st, the racing licence does, so if you are actively racing, such as in the ACT track league, or a cyclo cross series, make sure you renew your BCF membership as well. Alan has the forms for BCF membership.
